LINCOLN

— QUILTERS GUILD —

Since 1973

The Guild meets the second Monday of the month (March - November) at 7:00 p.m., at the College View Seventh Day Adventist Church located at 49th and Prescott Streets, in Lincoln, Nebraska.

The nominating committee is challenging each of you to stretch yourself, try something new, and develop wonderful personal relationships and leadership skills along the way. The guild really needs members to step forward into officer positions and help steer the guild on a path where it will continue to be a relevant, vibrant, and sharing entity. We're asking each of you, especially those who haven't served as officers before, to step out of your comfort zone and say YES, I'll try!"

For the next guild year, we still need:
a nomination for **President-elect** and

one/two nominations for **Vice President-elect** (programs) OR **Co-Vice President-elect**.

We'd love to hear from you.

LQG's August meeting is Monday, August 14, 2017 and will feature speaker, Tonya Alexander from Ferndale, Washington. Tonya will talk about her quilting journey. She is a quilter, designer, and all-out fabric lover. She is the author of *Stash Lab: Simple Solutions for Scrap Quilts*, her first book with Martingale/That Patchwork Place. Her quilt designs have been featured in many quilt magazines including *Quiltmania's Simply Moderne*, *McCall's Quilting*, and most recently in the October 2017 issue of *American Patchwork and Quilting* as well as the Fall 2017 issue of *Better Homes and Gardens, Quilts and More*. Tonya lives with her family in the beautiful Pacific Northwest, where there are more good quilting days and shades of green than she ever imagined.

August Workshop - Diamonds in the Rough

Tonya will teach a four-hour workshop on Tuesday, August 15, 2017. In this workshop you will explore the joys and challenges of working with 60 degree triangles, bias fabric edges, mixing low volume fabrics, and incorporating scraps from your stash into every project. The focus project will be Tonya's pattern, "Diamonds in the Rough". The pattern is based on a traditional Thousand Pyramids design and can be right-sized to match your stash or size preference. The pattern provides directions for two sizes: 65" x 88" or a smaller crib or lap size 45" x 52." The pattern is included in the workshop's registration fee. The workshop is limited to the first 20 paid registrations. Please note there are only 5 remaining spots left! Register today to get it!
