Can you sign up for one of those shifts? Just call or email Sheila Green to get your name on the list. (402-440-3127 or sheilagreen@windstream.net) Thank you!

Go to our website, lincolnquiltersguild.org, for information about this fun filled day.

Also, a big thank you for collecting any fabric you'd like to donate for the upcoming Isles Sale. Please bring your donations to our first Guild meeting since the sale is on March 29.

Looking forward to seeing you soon,

Lisa

Upcoming Workshops

The March workshop is full and a waiting list has been started.

There are still openings in the April workshop. It is a beautiful table topper that goes together in one day when we have the strips cut and pattern pieces cut out. Please let me know if you are interested, so we can have enough patterns

to hand out at the March meeting so you can prepare for the workshop. Please contact me soon.

Date: March 10, 2020
Workshop: Artful Log Cabins
Instructor: Katie Pasquini Masopust

The log cabin block is so very versatile, we will use that as the basis for creating linear abstract art quilts. Start with a painting or photograph, crop that to a strong personal composition, overlay a grid, this can be an even grid, an uneven grid, curved or random grid, this linear drawing is laid over the inspiration photo or painting to become the map. Then log cabins made up of the colors found in each unit of the grid will be constructed and then put together to make the quilt. Emphasis on composition, variety, color, value and visual pathways.

Date: April 14, 2020
Workshop: Paper piecing
Instructor: Connie Lange

Pictured are samples of the 20" round table topper project 'Rustic Mountain Snowflake'. The pattern has enough pieces for four place mats. Since the technique is so unique, we are privileged to have Connie here to walk us through it.
