February Speaker • Pam Witt
**“Beyond Needle and Thread:
 Lessons from the Sewing Room”**
Monday, February 12 • 7 pm

Becky and Kate spent a delightful 3-hours with Pam. She was able to convince these 2 avowed “appliqué-phobics” that appliqué is not only possible, but FUN! Her sense of humor and “can do” spirit will delight us and her wonderful quilts are sure to inspire us, even the appliqué-phobics.

Pam limits the size of her “Freezer Paper Appliqué” classes so she can give lots of individualized attention to each student. Her class is currently filled but if you are interested in taking one of her classes, please contact Becky Haynes. If she has enough, she can schedule another class in the future.

President's Message

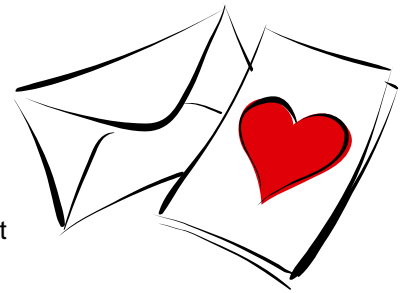

It's amazing! As I write this, we are already half way through the guild year.

For those of you who didn't take Shelly Burge's postcard class...you missed an awesome class. We had a blast! Shelly showed us a couple dozen different postcards she had made using all different kinds of techniques and materials. We spent most of the time working on our own creations. You should see the way cool card I made with skull fabric and beads!! We truly had a great time!

It's that time of year again. Judy will be calling you trying to fill committee jobs for the next guild year. Start thinking ahead of which job you would like to do. It's a good way to get involved and keep our guild running. Please consider saying yes if Judy calls you. Better yet, call Judy and volunteer for a job.

Keep on stitching...

Treasurer 2006-2007

Santa Socks 2006

This year we received 122 socks and 106 sacks. This was a total of 228, an Impressive number! We also received \$217.00 from the voting plus items to help fill the socks. THANK YOU TO EVERYONE!

Doing the math, the money received was less than \$1.00 per sock to fill them. With some creative fund raising by Kate Laucomer, we were able to have over \$300.00 more to fill these socks/sacks.

Sandy and I distributed the Socks to:

16 – Fresh Start
50 – Friendship Home
75 – St. Monica's (54 women and 21 children)
30 – Cedar's Home (teenagers)
50 – Indian Center (30 children and 20 seniors)
Peoples' City Mission (small soaps and McDonald's toys)

This year we would like to try a different approach to the Santa Sock Program. In the future editions of the *Plain Print*, we will have a monthly Sock Stuffer item listed. Bring one or more of this item to the Guild meeting. We will have the big *Santa Sock* at each meeting for you to stuff your items in. We are encouraging everyone to shop the after season sales, garage sales or thrift stores. PLEASE keep the items donated of a new quality like what we would enjoy in our own stockings.

We also have a list of items needed. The small soaps/shampoos are still needed at the Mission but most of the women are in need of regular size hair care items. A big need is also First Class POSTAGE STAMPS. (Go together with a friend on this.)

Check the list and keep your eyes looking for good sales. **You can bring these items any month or stuff a dollar or two into our big sock.**

Here are the suggested items per month.

February: Small stuffed animals. Toys geared for children or teens, tooth brushes and tooth paste.

March: Hats, mittens, gloves or scarves. Check out winter clearance.

April: Regular size bottles of shampoo, conditioner, hairspray, etc.

May: Postage stamps, notecards, etc.

September: Back to school items, markers, crayons, pens, color books, journals, etc.

October: Pocket calendars for the new year, hand lotions, hand sanitizers, etc.

November: Santa Socks/Sacks and lots of dollars for voting plus any stocking stuffers.

Again, thank you for your support!

Gloria Smith and Sandy Gruntorad

Minutes of the Lincoln Quilters Guild – January 8, 2007

Christ United Methodist Church – Lincoln, Nebraska

Becky Haynes introduced the speaker Shelly Burge for the evening. Her program was “Toy Sewing Machines.”

Kate called the January 8, 2007 meeting to order. Welcomed everyone, saying it has been a long day for many of us. Most of you know that today was the memorial service for Connie Strobe. She asked that we have a moment of silence in her memory.

Treasurer’s report was in the Plain Print.

There were no corrections, so the treasurer’s report was remanded for audit.

Minutes of the last meeting were in the Plain Print.

There were no corrections, so the minutes were approved as printed.

Announcements – Judy Lane

A thank you note from the Fresh Start Home. “On behalf of the 16 women living at Fresh Start Home today, thank you! We appreciate your generous donation of 16 stockings, candy, scarves, and stamps. The residents at Fresh Start certainly appreciated your thoughtfulness. We are grateful to have you as our friend.

A thank you note from St. Monica’s. “Please accept our sincere appreciation for your donation of holiday stockings and gifts to our clients so they may enjoy the holiday season. We are very grateful that you chose our organization for this donation.”

Our condolences to Gweneth Eickman on the death last week of her husband Warren Eickman. Our condolences also go out to their daughter Susan Weber.

Our sympathies also go out to the family of Libbie Murrell who passed away last week. Libbie was a longtime LQG member.

A cuddle quilt thank you. “Dear Members of the Lincoln Quilters Guild – Thank you very much for the beautiful quilt our daughter received during her stay on the Pediatric ward at St. Elizabeth’s. It was very comforting to know that we were being thought of in such a special way. We

included this picture of her enjoying the quilt after her recovery. Thank you for sharing your talents to brighten the days of families in a moment of need.” Sincerely, the Sean Morrison family.

Elinor Peace Bailey will be doing doll and collage workshops at Southeast Community College in March. Brochures are on the bulletin board table.

A thank you note for Discover Nebraska. “Dear Members of the Lincoln Quilt Guild, I wanted to write to thank you for sponsoring the wonderful Discover Nebraska project. I can not tell you the joy this presentation gives to our students each year. It is truly a learning experience. The work and dedication of the women who give these talks is greatly appreciated. As a teacher who has done lesson plans, I know the hours of work that must have gone into this presentation. We are truly blessed to live in an area close enough to experience it. The fourth graders will remember it and we all learned so much! Thanks again!” Susan Hybbard, Cathedral of the Risen Christ School Librarian.

And one more Discover Nebraska thank you note from the kids at Brownell School. Next month we will try to post this delightful card on the bulletin board.

Beginning this month the *Hearts and Hands* afternoon workshop will begin meeting at 1:00 p.m. instead of 1:30 at Christ Lutheran Church. We will be meeting in Room 008 which is just down the hall from the Fellowship Hall where we have been meeting for some time. Remember to bring a sewing kit as we will be working on cuddle quilts. Also the Show and Tell theme for January is Snowmen or Winter.

New Business

Becky announced that Pam Witt’s class is full in February. However, Pam has offered to come back at another time and do a second class if there is enough interest. Contact Becky if you would be interested in this second class.

Bus Trip

Glenda Johnson announced the bus trip will be March 24th and 25th. We will be going to several stops in Kansas ending up in Wichita. We will also go to Derby before coming home.

Old Business:

Birthday Party

Kate reminded us to be working on our quilts to give to the guild at our birthday party in March. Anita says a completed quilt would be greatly appreciated.

Santa Socks

Kate congratulated the Guild on making so many socks and bags. We did have a problem in not having enough things to stuff the bags and not enough money to buy the things either. Kate went on an one-time fund raising project. An extra \$315 was raised to buy stocking stuffers. We have a great way to help our community, but we need to make a few changes to make it even better.

Gloria Smith reported on some new ideas to help expand our Santa Socks. One idea will be an “Item of the Month” to be printed in the Plain Print. You bring the item each month to guild. Buying one item a month won’t be much trouble, but will add greatly to the amount of stocking stuffers we collect. Sandy and Gloria will also have a giant stocking at each meeting. Put your items in it...OR if you didn’t bring an item, please feel free to stuff cash in the stocking.

Alzheimer’s Priority Quilts

Kate has the Priority envelopes with her if anyone needs one. If you have any quilts to turn in, bring them to Kate after the meeting.

FYI: The Alzheimer’s Art Quilt Initiative has raised and donated \$44,812.15 for research in 2006...in ONE year! The vast majority of the money was from the sales of the Priority quilts.

Ricky Tims’ Seminar

Sheila Green announced that we have enough registrations turned in to have our “large group” and qualify for the discount price. She also has a few

(Continued on page 5)

motel room reservations still available. Contact her for more information or registration forms.

Challenge

Elizabeth Sterns reminded us that we still have a couple of months to be working on our Challenge quilts. There are still a few packets available if someone still wants to sign up.

Friendship Blocks

Martha Lane and Donna Welte announced that only 2 people turned in blocks this month so they divided them between them. They were Jean Barney and Vicky Bedell. Martha and Donna also showed the block for next month.

Mini Raffle

Dana Atteberry announced we raised

\$103.00 tonight. Quilts donated by Vicki Skuodas, Bev Hillman and Kate Laucomer. Those quilts were won by Tracy Schrolberger, Judy Lutgen and DeEtte Turgeon. Books from Peg Johnson and Ann Hauder was won by Lorelee Novak. Chicken pin cushion donated by Lin Gowin-O'Brien was won by Carol Powlish. Quilt blocks and fabric donated by Rosalind Carr was won by Carol Rystrom. February donations will be Dorothy Neill, Martha Lane, Maggie Copple, Quilted Kitty and Donna Christensen.

The meeting was adjourned to Show and Tell.

Put them right sides together and draw a diagonal line on the lighter square. Stitch a 1/4" away on each side of the drawn diagonal line.

Cut on the drawn diagonal line and press open.

You will have 2 half square triangles. Do not trim. Turn in at the February 12th meeting

2007 LQG QUILT CHALLENGE

At the February meeting, we will review the submission information and due dates for the challenge quilts.

Chemical Warning:

A recent study indicated that fabric gives off certain Pheromones that actually hypnotize women and cause them to purchase unreasonable amounts. When stored in large quantities in enclosed spaces, the Pheromones (in the fabric) causes memory loss and induces the nesting syndrome (similar to the one squirrels have before the onset of winter i.e. storing food), thereby perpetuating their species and not having a fabric population loss due to their kind being cut into pieces and mixed with others.

Sound tests have also revealed that these fabrics emit a very high pitched sound, heard only by a select few, a breed of women know as "quilters". When played backwards on a vinyl LP, the sounds are heard as chants, "buy me, cut me and sew me". In order to overcome the so called "feeding frenzy effect" that these fabrics cause, one must wear a face mask when entering a storage facility and use ear plugs to avoid being pulled into their grip. One must laugh, however, at the sight of customers in a quilt fabric store, with WWII army gas masks and headphones!

Studies have also indicated that aliens have inhabited the earth, helping to spread the effects that these fabrics have on the human population. They are called QUILT FABRIC STORE CLERKS. It's also been experienced that these same Pheromones cause a pathological need to hide these fabric purchases when taken home (or at least blend them into the existing stash), and when asked by their significant other if the fabric is new, the reply is I have had it for awhile.
