## PRESIDENT'S MESSAGE

My year as president is over this month and as I look back, it has been a busy one. A confusing one, at times for me as I tried to understand the business of the Guild.

There were two outstanding events this year. One was the permanent hanging of "Nebraska Is America" at the Nebraska Center for Continuing Education. (I love seeing that lovely quilt each time I visit the Center.) The other event was our show at Ferguson Mansion with Virginia Avery's workshops and lectures. So many quilt members were involved and found it a rewarding and worthwhile experience. It was pleasant meeting our out of state members who attended this event.

Some of the projects we started are still to be finished by our new incoming officers. Our new officers will be making plans for the coming year and will welcome any suggestions you might have.

I have been happy to be the Lincoln Quilters Guild representative to the community and have tried hard to have good public relations and foster interest in quilting.

I thank all of you for your attendance and support, your willingness to help and in general be good friends!

With appreciation,  
Your president, Millie Corkill

PLAIN JANE QUILTS

Under the very able leadership of Winnie Johnson and Kari Ronning, the Guild had a great February meeting! Many Plain Jane Quilts were coaxed out of hiding to have their day in the limelight. Lovely and faded these heirlooms spoke softly of love, warmth, patience, fragility, and creativity. A time of honor now faded into shadowy memories -- like an old book without a cover, no title, no author and date unknown.

There were some beautiful future heirlooms displayed at "show and tell" that makes us believe that quilting is really a means of expressing our artistic desires. Thank you winnie and Kari for a great fun night.

OUT OF TOWN MEMBERS VISIT

It was a treat to have out-of-town members attending the February guild meeting.

From Omaha and Elkhorn were Nancy Koehler, Lois Gottsch, and Paulette Peters. From Emporia Kans. was Helen Ericson.

It is hoped that they will return frequently.

IT WAS WORTH A TRY

We have tried PLAIN PRINT for a year. There have been more negative comments than approvals. Therefore, this is probably the last issue. It was worth a try.

## FEBRUARY EVENING WORKSHOP

About 18 guild members met at the home of Mona Jeanne Easter. The highlight of the evening was seeing Mona Jeanne's "Grandmother's Flower Garden Quilt". This is truly a quilt that lives up to its name, for her grandmother made the flowers and she put them into the garden. Evelyn Reichenbach's quilting group quilted it and now it needs only the binding.

Mona Jeanne's house is full of rabbits! China rabbits, rabbit pillows, rabbit centerpiece, and rabbit cookies. Of course it is very appropriate for a family named Easter to collect rabbits!

## FEBRUARY AFTERNOON WORKSHOP

Fifteen guild members gathered at Mida Giesecker's for sewing and conversation. It is a treat to view the many gorgeous dolls that Mida has collected. Every room and every corner displays an interesting doll.

Lou Lessman brought the guild scrapbook and passed it around. It is amazing how much history our guild has accumulated in such a short time. Millie is still seeking identification for some of the guild quilt blocks. Mida showed her antique "Russian Sunflower Quilt". She has pieced enough new blocks from this pattern to make a new "Russian Sunflower".

Add Millicent Fowler to the makers of "Flying Geese" quilts. There are now four LQG members piecing this pattern.
