"Preserving Nebraska's Heritage" Quilt Show

Have you started your quilt for the fall show? Remember:  
2 items per member  
Open to members only  
Must be your work (may have been quilted by someone else)  
Not shown at any previous show (except the State Fair)

Because we will have no meetings over the summer, exhibitor forms will be available at the May 13 meeting. Contact Pat Hackley...423-2909 for more information. Please attach a photo (which we will return) to help us plan for hanging. Also, on your small pieces, please let us know your preference of hanging site (Mansion or Candy Factory). We will try and accomodate your preference.

Quilts will be hung at the Candy Factory from September 16 to September 27 and taken down the morning of September 28. We need lots of help during that time. Ann Gohde will be calling you to help with staffing. The show will run simultaneously at the Mansion.
