Vol. 21, Number 6

March 1995

### STALONE Says "YO" LQG MEMBERS!!!

Would you make Yo-Yos to fence the Calico Cupboard craft area at the next year's quilt show? Dig into your scrap bags and if you will contribute six or more, they will look great to fence the craft area. Best of all they will be reused at a future date and activity.

Finished yo-yos may be given to JoAnne Bair or Millie Fauquet. We would really appreciate your help.

(4" circle)

1. Make a template of this 4 inch circle. Draw on the wrong side of the fabric and cut out.
2. Thread your needle with a double strand of thread.
3. Turn under a scant 1/4 inch seam, (just turn the raw edge under).
4. Using a running stitch sew along the edge.
5. Gather and pull tight to shape the yo-yo. You will end up with about a 2 inch yo-yo
6. Knot your thread.

### First Thursday Stitchers

The first Thursday Stitchers will meet in the Resource Room on Thursday, March 2, 1995. We'll work from 9-4 with a lunch break. The group will be socializing as well as making a quilt top - our first one will be "Trip to St. Louis." When it's completed the top will be available for purchase. The money will go for guild projects and to purchase supplies for the next top. The Cuddle Quilt project will benefit from this top. Come join us - bring your rotary cutter, ruler and mat and join us on Thursday, March 2!

### 16 COLORS

Merchandise chairman Martha Dennis is taking orders (last date March 15) for polo shirts. These are like a T-shirt that has a collar. The short sleeves are hemmed, not ribbed. There are SIXTEEN colors to choose from. There are 5 sizes. If you are going to any quilt gatherings this summer . . . how about wearing something "from Nebraska?"

Also pick up some of our new SCRATCH PADS. Put them in your kitchen, in your car, near your sewing machine, on your desk. The sunbonnet sue design will make you smile while you add up your taxes!

## FROM THE PRESIDENT

### *"Sharing Stitches"*

March 18, 1995 is National Quilting Day - celebrate your love of quilts and quiltmaking by stitching on a project you have in the frame or maybe even start a new project - how about something for the Guild challenge that can also be used as an entry for the Fair this summer.

Congratulations to all who made blocks for the raffle quilt and a big heartfelt Thank You to Jan Stehlik for putting all the contributions together to make such a wonderful top. March is your month to get involved in preparation for the LQG Quilt Show in March '96 - we need your help to make it a success.

*Sue Volkmer, President*

## SCRAPS FROM THE RAFFLE QUILT

by Jan Stehlik

A big THANK YOU to the 46-plus LQG members who pieced 76 *Log Cabin Star* blocks for the Raffle Quilt! Sixty-eight blocks were needed for the quilt top; those remaining were awarded in a drawing at the February meeting (marked with a W).

Another big THANK YOU to those who contributed 218 two-inch 4-patches and 346 three-inch squares. These were used in the quilt's two pieced borders, with enough left over to award sets of the small squares to seven lucky stitchers whose names were drawn from all who contributed.

Thanks to Sue Volkmer, Donna Svoboda, George and Vicki Skuodas for advice and encouragement.

Finally, THANK YOU for trusting me to set the blocks together. I appreciate your confidence, and I loved handling all those gorgeous fabrics from your collections. As I read your names on the blocks, I felt like you were right there in my sewing room, a group of friends stitching-it-up together . . . and that's what's special about "Traditions, Our Log Cabin Legacy," which is the theme of the 1996 quilt show.

## BIRTHDAY SALE

Everything has been displayed for your shopping before! It's on the 10¢ Bargain Table for the Birthday Sale for the March meeting. Remember the Christmas stocking project you will be working on in the fall, the vest you have planned, the darling little gift bags we've had a chance to see, the tote bag for your traveling iron, even whole coverings fashioned from these samples. How many suggestions do we each need? These purchases will be your BIRTHDAY GIFTS TO YOURSELVES!

In addition there will be sampled of Barcalounger coverings. Truly I am amazed at the variety. Do you need a patch, some arm covers? None of these have been to a meeting before and will be on a separate table for 25¢ apiece.

Why did I think you would be interested in the Southwestern-Native American feel? Certainly I can't explain and you were not. Only netted \$4.50 at the February meeting. Possibly another time that will be in vogue.

You are welcome to come to my home any time to look for something you are needing, just call to plan a time. Jean Davie 488-3226

MonaJeanne Easter had a quilt from the guild's collection, wanting additional information. It was a red, white and blue sampler done in 1976. The blocks used in this quilt were made from the left over blocks not used in the raffle quilt. Jeannie Sullivan was sure this quilt was quilted at her house.

MonaJeanne told of a quilt appraiser from Illinois who will be in Lincoln April 11. Her name is Jean Eidleman. She charges \$25 for the first quilt appraised, and \$20 for each quilt after that.

## NEW BUSINESS

We will be starting a new workshop the first Thursday of each month at the Resource Room, called the "Thursday Stitchers." The

first thing to be worked on will be a quilt that will be brought to guild, when finished. Then any group that contacts us for a quilt that might be used for a raffle or similar use, may purchase this quilt. This will be a top only, the group purchasing the top will be responsible for having it quilted. Part of the money will go to purchase the material for our own next raffle quilt and cuddle quilts. The first quilt that we will do is Road to St. Louis.

This should eliminate standing in line, and speed up the whole process. Your membership card will be in your yearbook again next year. The cut-off date will be July 1, in order for your name to be published in the book.

Vicky Skuodas reminded people of the challenge quilt rules. She needs more names of people participating. They need to be 24 x 24 minimum, select two of the design elements star, 9-patch, or appliqué.
