

Lincoln Quilters Guild - Quilting Since 1973 - Meeting second Monday of each month September through May, 7:00 p.m.

Volume Twenty-Five, Number Seven

March/April 1999

Judy B. Dales ...

is currently living in Texas. She learned to quilt in 1970 while living in England. She has already had more than eight solo exhibits. She has received two Craft Fellowship Awards. She has exhibited at Quilt National, Visions, the American Craft Museum, the Montclair Art Museum, the Smithsonian Museum of American Art, and the L.A. Museum of Art.

"Spirit Flight," a quilt made in memory of her mother, is one of only three quilts in the White House permanent craft collection.

Currently, teaching color and design around the world occupies much of her time.

Judy will be teaching a class for Guild and at the time of Plain Print printing, there were two places still available in the class.

A Message from Anne

Let us hope that April only brings showers -- the March snow on our meeting day was a disappointment to all of us. Those of us who had to make the decision to cancel the meeting could have used a crystal ball to see how much snow there would be by evening. (If anyone has one in their sewing room, please let me know!) We chose safety, and we thank all of you for your cooperation and understanding.

Our April and May meetings will be fun filled. The Birthday Party, our friendship blocks, and all the activities we look forward to are still to come. With just two more meetings this year, there will be important business to discuss. We have to approve a budget, elect our officers, and oh yes... there will be an announcement about our new resource room. I hope you all come to these meetings as we stitch into spring.

Anne

Dues are Due!!

It's that time of year again... time to pay our dues for next year. Membership forms will be available at the April meeting. Please take time to fill one out and pay your dues at the membership table at the April or May meetings.

Let's ALL get this done early so we can print an up-to-date membership book with ALL our names in it! (And save the expense of the extra printed update sheets☺)

The mini raffle at the National Quilting Day Tea was a great success thanks to your generosity!! We raised \$113 for our Cuddle Quilt projects.

Thank you, thank you, thank you to everyone who bought tickets.

And a special thank you to Sue Volkmer who donated all of the raffle items and two of the door prizes at the Tea.

1999 Scholarship Winner

The 1999 LQG \$250 Research Scholarship winner is Carol Bosshardt of Kearney, Nebraska. Carol's project involves new research about Grace Snyder's quilts through recollections of her relatives. Carol will be a lecturer at NSQG 1999 in Grand Island.

A well-qualified runner up is waiting in the wings should additional funds become available. Kris Bergquist of UNL needs funds for "quilts in schools" projects and research on the oriental influence in crazy quilts.

The rotating LQG Research Scholarship Committee consists of 1998-99 chairman Jo Baxter, 1999-00 chairman Janeese Olsen, and 2000-01 chairman Jan Stehlik.

Great appreciation for this scholarship is extended to LQG members, Nebraska Quilt Project members, and purchasers of Nebraska Quilts And Quiltmakers. Book royalties help fund this effort.

If you would like to donate additional funds, please call Jo Baxter.

Garage Sale Reminder

We know spring is just around the corner, and that means spring cleaning. It also means it's time for our annual garage sale! You may donate items to LQG and all the sales go to the guild or you may price your items and 5% will go the guild. You may bring your donated things to the April meeting. If you wish to have items to sell, please call Roxann O'Hare with your 3 initials. We will also have a clip board at the meeting if you wish to sign up there.

Last year's sale was a great time with sewing, craft, fiber, and related items for just about anyone's taste! Not to mention the boxes of quilt magazines, books, and even some quilts and tops ready for you to finish! The sale will be on Saturday, May 1st, from 8:30 am – 3:00 pm. There will be a guild "early bird" sale on Friday, April 30th, from 7 – 9 pm.

If you have any questions, please call Roxann at 402-785-5505. If not, keep cleaning!

*Roxann O'Hare and
Rosanne Beekman*

Exchange Gifts

Thanks to the weather, you all had an additional month to finish those unfinished projects. The April meeting is closing in fast!! If you have not located and finished your exchange gifts from our 25th birthday party, now is the time.

Please bring your finished project to the March birthday party to be held at the April meeting.

Questions?? Call Sandy Anderson, 483-5496. I may not have any answers, but we can chat!

May Exchange Blocks

54-40 or Fight & 4 Patch - 9 Patch Variations

Colors - Black and Red

Block size - 9 1/2" unfinished

Star Block -

- Cut - 3 1/2" squares of black (4)
- 3 1/2" square of red (1)

Reds in the stars are all the same fabric but the blacks are all different. Make 4 sets of star points using paper piecing or by making templates for this part of the block only. I tried both methods and found the paper piecing to be faster and more accurate.

4 Patch - 9 Patch Variation -

- Cut - 3 1/2" squares of black (4)
- 3 1/2" square of red (1)
- 2" squares of both red and black (8 each color)

Mix as many possible fabrics as you can of both the red and black in this block for more interest.
