A Message from the President...

Beginning a new year is always exciting and even though this Newsletter seems a bit early, we wanted to let you know about some important upcoming events.

You'll want to read how well the 2004 Grandma's Legacy & Beyond Quilt show did, make plans to participate in September's workshop class, and get your garage sale items ready to go. So read this Plain Print carefully and keep it for reference in September.

I want to thank all the committee chairs in advance for working hard to plan and execute events and activities for this coming year..

I also want to thank again Vicky and all of last year's officers and committee chairs and members for jobs very well done. Planning and executing LQG's activities takes a lot of dedicated volunteers and we all owe a debt of gratitude to them all.

So join me in being excited for the upcoming quilt guild year... you'll be seeing a few new and/or reintroduced activities this year and I hope you will want to be a part of many of them. See you in September!

Please note this is the August and September issue of the Plain Print. You will not receive another issue prior to the September 13th meeting.

Rosalind Carr is requesting donations of fat quarters that are "surplus," "old," "not my style," "taking up too much room," or just plain "unused." They will be used to encourage members to wear their name tags at Guild meetings so members get to know each other by name

Thank you to those who have made to workshop days this summer.

We have gotten a lot done for the up coming meetings.

July CQ delivered 27 cuddle quilts, 14 preemie quilts and 4 angel quilts.

I hope everyone has had fun, safe a relaxing summer.

I am looking forward to all of the quilts that will be turned in at the September meeting. If your schedule allows please come and join us on August 6 at the resource room.

We need individuals to tie quilts and cut fabric for kits.

I look forward to seeing each of you August 6.

Enjoy the rest of your summer.

Quilt Show 2004 Wrap-Up

When I used to look at quilts, I thought, "Wow, that's neat." Then, when I actually started quilting, I came to a much fuller appreciation of the time, effort, and creativity that go into the making of a quilt. The same is true of quilt shows. I have been to a lot of them, but I didn't comprehend what went into the creation of a show until I chaired "Grandma's Legacy and Beyond."

"Grandma's Legacy and Beyond," Quilt Show 2004, has now become part of the legacy of the Lincoln Quilters Guild. I extend my thanks to the Guild for entrusting me with chairing this wonderful event. Also, I thank the numerous guild members who contributed their quilts, their time, and their sweat (literally!) to make this show the success that it was.

With approximately 2,000 attendees, the quilt show and auction raised approximately \$9,700 for LQG. The winner of the raffle quilt, "Grandma's Legacy," was Joan Workman of Omaha, Nebraska. Winners of the Viewer's Choice voting were Marilyn Rembolt (Grand Mothers Challenge) for "Grandma Hope" and Berniece Jeffries (Other Quilts in Show) for "Wildflower Wonders."

Committee chairs met in July and have numerous suggestions to make Quilt Show 2006 an even better part of the growing LQG legacy. Now that the show is over, all I can hope is that each person who attended the show went away thinking, "Wow! That was neat!" --Kimberly Shelley

SEPTEMBER MEETING LECTURE

"Trunk Show" by Sally Collins of Walnut Creek, California

Sally Collins loves the challenge of combining quality workmanship and intricate piecing in a traditional style.

She travels frequently, sharing quilts and teaching workshops across the country. Join Sally for a fun, informal and informative evening as she shares over 25 quilts in a chronological order while explaining how she works, describes some of the problems she encountered and how she approached correcting them. This is her most popular presentation; questions and cameras are always welcome.

September 14 Class: "Pieced Baskets" in small scale with Sally Collins

This 6 hour class will focus on precision sewing, quality workmanship and multiple half-square triangle techniques to create a lovely basket block in two different sizes (1-7/8" and 3-1/8"). Students can choose either one or both sizes, depending on their skill level. A handout for the complete 12 block quilt is included. Class time is spent between lecture, explanation, demonstration and student sewing time. If you are interested in improving your sewing skills, this is the class for you. Very Confident Beginner and Beyond Cost: \$40

Questions? Call Vicky Skuodas – 826-5008.

I wish to express my sincere appreciation to all the ladies on the white glove committee for the Quilt Show this past June. The quilter's creativity and choice of fabrics today often make the back as interesting as the front of a quilt.

Thank you for assisting the attendees in seeing both sides of the quilts through a quilter's eyes.
