

**2021 LQG FUNdraiser
Viewer's Choice Potholder Contest Guidelines**

Guidelines for making your potholders:

- Make two potholders. They do not need to be identical!
- They should be 6" to 10" in size, any shape.
- They can be an original design or from a pattern.
- Fabric should be 100% quilt quality cotton.
- Batting should be 2 layers of cotton or wool or 1 layer of cotton batting plus 1 layer of insulation such as Insul-Bright®.
- Include a hanging loop or ring.

Note: All of the potholder sets will be donated to the museum.

Do you have a favorite hot dish recipe? Or a favorite candy or cookie recipe you make during the holidays? Consider putting the recipe on a 3" x 5" card, and include two copies with your potholder entry. One copy will be set aside by the museum for a possible future cookbook.
