#### Katie's Bio

<http://www.katiepm.com>

For nearly 30 years Katie Pasquini Masopust has produced high quality contemporary art quilts that have been coveted and collected by a broad range of admirers. From her early beginnings as a painter dabbling in traditional quilt making, her work has evolved from structured Mandalas and mind-blowing dimensional pieces to very painterly landscapes and abstracts executed with the finest fabrics and most creative stitching techniques.

Katie's easy, energetic manner has made her a very popular teacher and

lecturer. When not in residence at her studio in Fortuna, CA she travels the world presenting her contemporary quilting theories and techniques to classes; not only in North America, but in Europe, the Far East, Australia and New Zealand. Awards and accolades have been numerous for Katie, culminating with her 2005 induction into a very select group of art quilt professionals who have earned the Silver Star Award presented by Houston Quilt Festival.

A prolific author, Katie shares her enthusiasm for the art of creative quilting

through her numerous books, her many classes, and now as a member of the Experius Academy Advisory Council as they work to develop the art mission for the new Gateway Canyons Resort in Colorado a destination resort for quilting enthusiasts and fiber artists: also host of Katie's Alegre Retreats.

As busy as she is, her love of the art and support of her family give her tireless energy. Look for many exciting new works to come from Katie in the next year.

## March Workshop

The March workshop is full and a waiting list has been started.

**Date: March 10, 2020**

**Workshop: Artful Log Cabins**

**Instructor: Katie Pasquini Masopust**

The log cabin block is so very versatile, we will use that as the basis for creating linear abstract art quilts. Start with a painting or photograph, crop that to a strong personal composition, overlay a grid, this can be an even grid, an uneven grid, curved or random grid, this linear drawing is laid over the inspiration photo or painting to become the map. Then log cabins made up of the colors found in each unit of the grid will be constructed and then put together to make the quilt. Emphasis on composition, variety, color, value and visual pathways.

## Request for crazy quilts

We've received another request from Dick Salem for quilts to be hung in the meeting room that is used by AA at Holy Trinity church at 60th & A. This is a photo of the two crazy quilts they currently have hanging in the room, and they are looking for other crazy quilts to add to their room. Dick said, "The members are very happy with the warm feeling the two quilts add to the room so we hope to add more if they can be found."

Do you have a crazy quilt that you would like to donate or loan? Also, some of their members have indicated that they would be interested in purchasing a crazy quilt to donate to this project. If you would like to participate with one of your crazy quilts please contact Dick Salem at 402-477-4444 or 402-430-6750.
