Note from Vicky

As we look back on the last year and a half, we are thankful that we have had our quilting to keep us busy. We could fall back on needle, thread and sewing machines to distract us from the troubling news that each day seemed to bring. We had to make tough decisions for our homes and families to get through it all.

The Board also had many tough decisions to make for all of us; to keep us safe. They had to think about masks, distancing, even whether to have a meeting at all. And, of course, the Quilt Show. Through it all, the Board stayed strong, and kept us safe.

Indeed, they made the choice to continue on as officers for the additional year. Many thanks to all of them for their strength and their outstanding service. Vicky Skuodas

LQG Calendar change

The Guild has been meeting on the second Monday of each month (March-November) *except* for the June meetings -- which have been scheduled for several years on the third Monday to coincide with the church building availability. Because the June meetings have been at the International Quilt Museum for the last several years, the 2nd Monday scheduling conflict has been eliminated.

In response to a suggestion made to the Board, it was decided that LQG will meet on the second Monday of each month (March-November) *including* the June meeting. This new calendar will begin with the meetings in 2022.

October 2021 Guild Meeting
