CUDDLE QUILT WORK DAYS

The kids are back in school and fall schedules are filling. Please put on your calendar the Cuddle Quilt work days! They will be held at the Resource Room, November 4, 5, and 6. The Friday and Saturday times are 9-4; Sunday from 1-5.

The LQG reaches out to others in the Lincoln community when cuddle quilts and angel quilts are made and shared with those in need of comfort and warmth. They are donated to the hospitals and organizations who minister to the needs of babies and young children.

Persons are needed to cut, press and tie so bring cutting mats, rotary cutters, rulers, sewing machine and irons. Materials for making cuddle quilts such as fabric, batting, yarn, and/or monies are always welcome.

Join the fun. Bring a brown bag lunch, if you'd like. Drinks will be provided.

If you cannot help on the scheduled days but wish to be involved you could take an unfinished project home or make kits that others could piece. Each of you is encouraged to participate. A word of special thanks is expressed to the many who consistently support the Cuddle Quilt Project. If you have questions please contact De Edgar, 488-2580; Sue Volkmer, 781-2896; or Lucile Lenz, 483-2885.

PRAIRIE DOLLS

The Prairie Dolls of Crete is a group of nine quilters. Except for trying to meet once a month, we're not at all organized. In fact, we never know from one month to the next when we'll meet again. It all depends on the hostess and what our calendars look like for the following month. We have no officers, keep no records of our meetings and have no programs. We're truly a very relaxed group. We get together to share ideas and admire each others projects; and like the majority of quilt groups, we probably do more eating and talking at our meetings than actual work. We're a diverse group with four retired women and five young, working mothers. We limit our group to nine members, but would welcome any of you as a visitor at any time.

M.O.M. RECOGNITION

The M.O.M Extension Group, started by Eleanor Sindlar, includes several LQG members and their friends. Even though they are not an Extension Club now they still get together and work on a community project. They have made drawstring totes for Social Services to use in family crisis situations. When Social Services send someone to pick up children in crisis they need a bag to put the children's clothes in to relocate them. The group also has made "cuddle quilts" in crib to twin sizes to distribute to the City Mission, Multicultural Awareness Center or wherever they were needed. They have given approximately 60 items to date - another wonderful example of "sharing stitches." A round of applause to Millie Fauquet, Heddy Kohl, Lou Lessman, Doris Von Seggren, Louise Howey, Ruth Albert, JoAnn Frost, Louise Hewell, Jan Murphy, Sonja Schneider and Elsie Haack.

FROM THE PRESIDENT

"Sharing Stitches"

As we approach the fall season and a time to be thankful for all we have, may I also ask you to thank all our volunteers. Without the volunteer "staff" of Lincoln Quilters Guild, we would not be able to accomplish as much as we do and provide so many wonderful programs. We provide quilt related programs for our members and guests to enjoy. We publish a quality newsletter for our members. We distribute cuddle quilts. We sponsor workshops to teach quilt related techniques and to develop friendships. We sponsor a quilt show every other year and we provide educational opportunities at other events. All this is very important - as well as all the volunteers we have that put in hours to help at a county fair, the State Fair, a quilt show at church or to make a keepsake for someone who has lost a loved one.

As I think of all the wonderful, kind things you all do to "share stitches" I want to "thank you" - we should thank you more than we do. We should all be proud to be a member of such a <u>wonderful</u> group. You all are an asset to your communities and to the quilt world. Give yourself a pat on the back and a round of applause. Words are not enough but Thank You for being a volunteer - no matter what your contribution! Volunteers have made LOG what it is today.

Thanks,
Sue Volkmer

LQG NEWS

1996 PADUCAH BUS TRIP

If you were very observant you noticed a committee chairman in the yearbook for a Paducah bus trip. Be advised <u>early</u> that this may happen so you can start saving your pennies, but don't hold back on participating in this year's activities for this bus trip is tentatively scheduled for 1996.

SANTA'S SOCKS

Join in the fun by making a Christmas stocking to display at the November meeting. "Santa's Socks" will be displayed and you can vote for Viewer's Choice with a monetary contribution (1¢ per vote) which will be used to purchase items to fill the socks. Chairperson Betty Wolff will have more patterns available at the October meeting or use a pattern you already have. RAFFLE QUILT 1996

Stars at night - star quilts,

Blue skies - blue quilts,

Log cabins, teepees and soddies - log cabin quilts, Cornhusks, sandhills, sandstone.

"Derived from the ancestors" - Heritage.

The 1995 LQG raffle quilt "Log Cabin Stars" celebrates Our Log Cabin Legacy with blocks of blue and tan. It's a scrap quilt. The blocks are easy to make. Your participation is important!

Patterns were distributed at the September LQG meeting and also will be available at the October meeting and the Resource Room. You may make as many blocks as you want, trying all your favorite blue fabrics. After the quilt top is assembled, a drawing will award sets of unused blocks to lucky winners. Your name goes in for every block you make, but an individual can only win one set.

Also needed are 3" squares of the scraps from your blocks, and 3" four patched for the border. Make the four-patches from your leftover log cabin strips . . . tans and blues.

Finished blocks may be returned at the October or November meeting or mailed before December 15 to Jan Stehlik, Rt. 1, Box 11, Dorchester, NE 68343.

If every member makes a block (or more), Log Cabin Stars will carry on the legacy of LQG efforts to promote quiltmaking through shared participation (and fun).

Nebraska - "flat water," (blue).

Morning Star - Evening Star,

Comforts, the comforter, quilts.

"Traditions - Our Log Cabin Legacy."

DESIGNER FABRICS

If you have occasion to be in Armstrong's Furniture, you will want to thank them profusely for their wonderful gift of discontinued fabrics, you will want to plan some holiday sewing with the rich satins and velors in red, green, gold and blue we will present at the October meeting and last but surely not least take pride in the \$67.08 we made from sales at the September meeting.

Please take note of this little fact. In the September Plain Print I said that I'd bring the two batches that I'd received during the summer. They were in the car but by the time I had carried in the third collection which I'd received just before the meeting there was no additional room for the first two. You'll want to see them in October!!!! Right? Right! Questions? call Jean Davie - 488-3226

October Friendship Block

Roman Stripe 9"

Choose fabric in three coordinating autumn prints: one each in a light, medium and dark value. You may either use the

template or rotary-cut directions to complete this block. For the template method: transfer pattern piece to cardboard or template plastic before marking fabric. Use a $\frac{1}{4}$ seam allowance (check your machine to make sure you are really using a $\frac{1}{4}$ seam allowance) and press to the darkest fabric. Your finished block should measure $9\frac{1}{2}$ so that it will finish to 9" when sewn into a quilt top. Please be sure to measure your block to make sure it is $9\frac{1}{2}$ square. (You might be the one who wins a set of blocks and you'll want them to all be the same size!) Also, please pre-wash your fabric before making your blocks. The more blocks you make the more chances you have to win. Sew. . . have fun!!

Rotary-cut Directions for Roman Stripe:

Step 1: Cut three strips of fabric 2" x 20", one each from the light, medium and dark fabrics. (If you are concerned about making cutting mistakes cut them a bit longer than 20" and then trim after step 3.)

Step 2: Using $\frac{1}{4}$ seam allowance, sew the three strips together lengthwise, with the light shade in the middle and the dark and medium shades as per the diagram above. Carefully press seam allowance away from the light strip.

Step 3: Cut the sewn strip into four 5" x 5" squares. (This is where you will trim any excess if your strips are longer than 20")

Step 4: Sew the squares together following the above piecing diagram.

Minutes of the Sept 12, 1994 LQG Meeting held at the Seventh Day Adventist Church, 7:30 pm

Sue Volkmer welcomed all to the meeting. Lora Rocke introduced Cheryl Nelson of Fremont. Cheryl talked about "Quilt Guilt," telling many characteristics of guilt in quilting. She concluded that we all need to free ourselves from the guilt that holds us back in order to become successful

Sue thanked Cheryl and officially opened the business meeting. She introduced Jean Ang, secretary for the coming year. Jean read several pieces of correspondence.

The minutes of the May meeting were approved as printed in the last

issue of PLAIN PRINT.

Carol Dischner presented the treasurer's report, which was filed for audit. She explained expense vouchers that are to be used by officers and chairpersons to submit along with their receipt to the treasurer.

The information sheets that are available state that the frames belong to LQG and are available for the use of LQG, other quilting guilds and other similar organizations. The frames rent for \$10. each week or any part of a week. It is up to the individual to pick up and return. Total income from rental is \$620. Total cost was \$827. They are 3/4 paid for. Hope Partridge will be the caretaker for this next year. Give her a call if you need to use them.

Ellen Mayer is working with the Sutton Skin and Eye Clinic to provide quilts for two spaces in their new clinic. The spaces will accommodate full to king size quilts. Quilts will be displayed on rods, no direct lighting, and are on a south wall. They will be changed several times a year. Charlotte Boe and Pat Andersen will be assisting. The LQG will receive about \$250 a year for this project. The clinic needs some quilts for their open house the last of September, first of October.
