

Lincoln Quilters Guild Announcements

President's Letter

Hello Quilting Friends,

Due to our inability to meet together, and in order to save on printing and postage, we have decided to email the Membership packet information that is usually presented at the October/November meetings. LQG President Lisa Burham has compiled it all in her President's Letter, available as a pdf at <http://lincolnquiltersguild.org/cms-data/depot/members/President-s-Letter.pdf>.

Lisa covers these topics in her letter:

- a look back at 2020
- a list of Programs and Workshops planned for 2021 (including printable bookmarks to share)
- your new Membership Card to print
- info from the Membership Committee about the dues waiver for 2020-21 and how new members can join
- announcement of a Silent Auction to raise funds for the guild
- Challenge Quilt contest update

So, grab a warm beverage, wrap up in your favorite quilt, and pass some time reading about Lincoln Quilters Guild...

Additional Items of Interest

Committees

Committee members: You are encouraged to review the budget proposal as outlined by the Finance Committee, and approved by the membership.

<http://lincolnquiltersguild.org/cms-data/depot/docs/LQG-2020-2022-FINAL-PROPOSED-Budget.pdf>

There were some changes that you will want to be aware of as you plan for 2020-2021.

The Guild needs your help. We still need volunteers to serve in 5 roles. Some of these committees do not require a huge time commitment and are a great way to make new friends.

- Finance—1 volunteer needed
- Mini-Quilt Raffles—2 volunteers needed.
- Nominations—2 volunteers needed
- Scholarship—1 volunteer needed
- Membership-1 “shadow” opportunity to learn the role as Membership, will need 2 new co-chairs in 2021

INFORMATION TABLE

These emails were received recently. Email president@lincolnquiltersguild.org if you are interested and the contact information will be forwarded to you.

*While clearing mother's house we discovered quilt squares and prepared pieces looks like 40s maybe 50s fabrics. Is there somewhere or someone who can utilize these? I don't want to put them in trash.
Thank you*

I am searching to see if there is anyone that would make a quilt-blanket from clothes that a person use to wear? My mother passed and would like to take some clothes and cut them into squares. I know it could cost a lot, so, I would be willing to cut the pieces and then if I could get someone to see them together. Does anyone have suggestions or a local person that they know that may do this?
