Class description

Borders, Bindings, and More

Tired of quilts that have more waves than Miss America? Want to learn to miter single or multiple borders without worry? Maybe you just want to spice up your same old borders and binding with something new: like scallops, flanges, or prairie points. This class will cover basic and advanced binding techniques using simple methods to guarantee mitered corners and seams. We will also discuss different sashing strip techniques, various edge finishes, and other ways to spice up your borders. Demonstration and samples will be provided.

\$10 kit fee collected at the workshop (check or cash). Kit includes two practice quilts and extensive handout. This is a half day class.

Bring with you:

- Sewing Machine
- Sewing supplies – thread, snips, pins, etc.
- Basic Sewing tools – rotary cutter, mat
- Elmers school glue (liquid)
- 2 strips of fabric, contrasting colors, cut 1 ¼ inch x 25 inches long

Note: some limited tools are available at the IQM (irons, ironing boards, rotary cutter, mat)
