- This quilt is one way our guild will celebrate the 250th anniversary of the USA.
- All blocks should be 6 1/2" for a finished size of 6" once the quilt is assembled.
- We're asking that members complete 2 or 3 blocks in red, white & blue (no tans/off-whites).
- Colors do not have to match the colors indicated in the pattern.
- Return all blocks to Tammy Hensley no later than the November 2025 guild meeting.
- Blocks must be returned in the paper bags provided with your name on the bag.
- Please write your name on the included tags and pin them to the back of each block.
- When printing out instructions it needs to be printed out at 100% not fit to print or scaled particularly on the last few pages/patterns which are paper pieced or require a template (Six Point Star, Five Point Star, Nine Patch Star, Broken Star, Northumberland Star).
- You can print out just the pages for only the blocks you want to make. It is not necessary to print out the whole document.
