

## Workshop Registration

Workshop Instructor: **Diane Murtha**  
Workshop Title: **Modified Quilt As You Go**

Think of this technique as two-step quilting. This class yields 25 perfect 4 1/2" quilted blocks embellished with a variety of applique options, then assembled. Quilting thru each block and batting individually makes quilting easy for both new and experienced quilters alike – no bulk or awkward struggling with a large sandwiched quilt. A great project for increasing accuracy, as well as small space quilting, like retreats, or for me, my RV! Add backing fabric and the second step quilting and you are done. This technique can be used to create any size canvas that can be appliqued in endless options. So much fun!
