

## Workshop Registration

Workshop Instructor: **Lori Dickman**  
Workshop Title: ***Starlight Scrappy***

To create this striking quilt, students will either pull squares from their stash (or cut from fat quarters or yardage) in various sizes and values of Lights, Mediums, and Darks to create nine beautiful Starlight blocks for this wall quilt, measuring 42" x 42" with borders. During the workshop, Lori teaches her Speedy Solutions techniques as she shows how to pull scraps from her stash to use with many different quilt patterns. Her techniques are amazingly simple to incorporate for hundreds of patterns....what a wonderful way to use up Scrap Stash to create beautiful quilts! By implementing the techniques in Lori's book, "Speedy Solutions to Cut & Organize Your Scrap Stash," the student will have a scrap stash that has already been cut in various sizes and values to use for this pattern. Kit required: Either the Starlight Pattern \$10.00 each; OR the "Speedy Solutions Pattern book; \$30 (includes Starlight & 11 additional scrappy patterns).
