Workshop Registration

Workshop Instructor: **Rhonda Denney**
Workshop Title: ***Coloring on Fabric***

In this workshop, you'll have the opportunity to try your hand at coloring on fabric using a wide variety of pigments. Rhonda will bring many different kinds of hand-held pigments including various grades (Student- and Artist-grade) for you to try. She will also talk about different techniques to apply the pigments to get different results. Sort of a "try before you buy" Opportunity! The patterns that Rhonda supplies will allow you to quickly get started so you can focus on using the pigments to experiment and explore. Let your inner child come out and play! Who knows! You may find some pigments that you fall in love with and can use in your future quilting projects. All skill levels welcomed.
