Workshop Title: ***Twilight - Curved Look without Curved Piecing***

Learn the bias edge fold back technique to create graceful curves without curved pieces. This is a great trick for quilters a bit timid about curved piecing. By folding over and top stitching the bias edge you create a dynamic curve. You will learn how to make a beautiful top stitch. Some prepwork is required before class.

There is a required pattern fee of \$10.00 payable to the teacher at the beginning of class.
