
Supply List for 3 hour Hands-On Class with Sewing Machines

Thank you so much for taking my class. I can't wait to spend the day (or evening) trying to help you love machine quilting as much as I do. If you are nervous at all, don't be! The class atmosphere will be very encouraging and lots of fun, no matter where you are in your free-motion quilting journey.

Below you will find the supplies to need to make the class as successful as possible. If you have any questions, please don't hesitate to reach out to me via email: angelawaltersquilting@gmail.com.

Happy Quilting! Angela Walters

Required Supplies

Sewing Machine- Any type of machine will work, just be sure that it has the ability to drop the feed dogs. If you aren't sure, please refer to the owners manual.

Free-motion Quilting Foot- any type of **Free-motion quilting** foot will work (i.e. Open toed or clear plastic). If you're unsure if you have one, check your owners manual or contact the manufacturer.

Quilt sandwiches for practice- 2-4 Fat quarter sized sandwiches will work (although they can be any size you prefer) Or if you are feeling adventurous, you can use some unquilted orphan blocks or a small quilt top. They can be basted in any method you prefer, such as with pins, fusible batting or fusible spray. Small quilt sandwiches can even be left unbasted if you want. The most important thing is that you have something to practice on.

Thread and scissors- To make the machine quilting process easier, use quality thread made for machine quilting. My favorites are Superior So Fine and Aurifil (both 50wt), but you can bring any type you like. A thread color that contrasts with your practice quilt sandwiches will allow you to see your quilting.

Optional Supplies: These aren't necessary, but if you already own them, bring them with you!

- Quilt top for quilting suggestions
- Supreme slider
- Free-motion quilting gloves
- Extended base for your machine
- Camera (to take pictures of quilted samples)
- Paper and Pencil- Each class includes handouts free of charge, but if you think you might want more room for drawing, bring a notebook.
