

## **Fiesta Ware Quilt Supply List**

You will need the pattern, which can be found in the book *Finders Keepers Quilts* by Edie McGinnis. The book is available in hard copy and ebook formats.

Please bring ordinary supplies used when making a quilt - rotary cutter, rulers, cutting mat, scissors, thread, sewing machine, etc. You will need to be able to square up half-square triangles. Edie uses a 6 1/2" Bloc Loc ruler, but bring whatever works for you.

2 1/2 yards of orange grunge *or your choice of color*. Whatever you use, the two colors need to contrast as well as go with the 1/2 yard of bright fabric you choose (refer to picture, below)

2 1/2 yards blue grunge *or your choice of color* (see above).

1/2 yard bright orange print *or your choice of color print* (Edie used Kaffe Fassett fabric. She also used the same print on the back of the quilt and for the binding.)
