

Let's Sew for Covid-19!

Dear Guild,

I'm sure you've been seeing all kinds of information about mask shortages and the need for hospital supplies. We've checked with Bryan after being notified that they were taking donations of homemade masks. We wanted to get the hospital's directions as we did not want to encourage you to work on something they wouldn't be able to accept.

Today Bryan let us know that they are accepting homemade masks, shoe covers, and surgical caps. They sent patterns which are available on our website at lincolnquiltersguild.org.

They also said that you can use your own favorite pattern with these additional requirements:

- Use new cotton fabric only—no fleece or flannel.
- Fabric needs to be laundered before and after the item is constructed.
- Finished items can be placed in a clean garbage bag and dropped off with the requested information at Bryan East Plaza Entrance desk (1500 S 48th).

It is such a wonderful feeling to be able to use the skills we've developed and honed as quilters to help those on the front line during this time. Maybe some of those orphan blocks in your stash can be adapted for a mask??

Thank you everyone!

Lisa Burham.

If you are on our Facebook page or our Instagram, please share photos of what you are working on. We'd love to see them.

Lincoln Quilters Guild meets the second Monday of the month (March-November) at 7:00 pm at the College View Seventh Day Adventist Church, 49th and Prescott Streets, Lincoln, NE. June is an exception, with the meeting on the third Monday at the International Quilt Museum, 33rd and Holdrege.
