

LQG SCHOLARSHIP ANNOUNCEMENT

Our recipient for the 2020 LQG Scholarship is Kelly Ross, on behalf of Totonga Bomoi.

Ms. Ross is the Program Director at Totonga Bomoi. Totonga Bomoi has a chance to clear a pathway of economic success for refugee and immigrant women in eastern Nebraska by providing them the opportunity to achieve financial independence and social capital through artisan mentorships and business education.

The \$1,000 scholarship will provide for training and supplies to educate Ms. Ross and a team of two more refugee/immigrant women on the logistics and skills required to create textile arts, namely quilting.

A full list of newspaper articles regarding Totonga Bomoi and the work done in the Democratic Republic of the Congo can be found at <https://www.totongabomoi.com/media>.

The Scholarship Committee will make a formal announcement with additional information on this project when we meet again.

Congratulations to Kelly Ross!
