### Meals on Wheels Placemats

The Meals on Wheels placemat project leaders are able to collect your handmade quilted placemats on July 10 at the College View church building from 9:30-11:30 am. Use the South doors for drop offs.

Our goal was to make 500 placemats by December. Size recommendation is 13 x 18. If you have some to drop off, you can do that on July 10. Thank you.

### Request for Quilting Instructor

Kelly Ross, our newest scholarship recipient, is looking for a quilting instructor that would be teaching the basics of quilting to women who already know the basics of how to sew. The workshop is located on 2124 Y Street. (Turbine Flats). The Totonga Bomoi project will provide all materials and machines and will also reimburse the instructor for their time. Kelly would work with the instructor to determine how long the course should run, on which dates, etc.

Contact Kelly at 402.430.3448 if you are interested in being the quilting instructor.

### Raffle Tickets

We still have almost 400 tickets left to sell. Since we are not holding the Quilt Show, this is income that will certainly help with our next budgets, and upcoming speakers.

Contact Joan Yoder if you can purchase more tickets. 402 421-8132

The drawing for the quilt will still be on July 18th, as advertised. If you still have ticket stubs, please make sure you get those back to Joan so that they can be entered in the drawing bucket. You can't win if your ticket stubs are still in your purse!

Thanks, Vicky

## Cuddle Quilts

Our Cuddle Quilt meeting for July will be on July 10th instead of the first Friday. The church lets all of their employees off on the day before the July 4th holiday.

We are not certain about whether we can host a full cuddle Quilts session, but we will be there from 9:30 to 11:30 on July 10th if anyone wishes to pick up kits, or drop anything off to us. Use the south door nearest to the elevator.

Thanks, Vicky

Mask donations can be dropped off at Sheila Green's home at 7950 Cooper Ave.

This week's donations went to City Impact for their summer school reading program, Asian Community and Cultural Center, Child Advocacy Center, Matt Talbot Kitchen and Bryan Health. What a great service quilters are providing in our community!
