# Lincoln Quilters Guild Announcements

---

## From your President

As we start June, we have a full summer in front of us. Congratulations to all of you who have been making graduation quilts, baby quilts for the new little ones in your life, and birthday / anniversary quilts for family. I am confident that our upcoming programs as well as our tour of the IQM will reinforce your love of quilting and experimenting with new techniques.

## June is membership appreciation

- and we celebrate our 49th anniversary at our meeting on June 13th.

Our meeting will be held at the International Quilt Museum at 1523 N. 33rd Street in Lincoln. Doors to the Museum will open at 5:30 p.m. The meeting will begin at 6 p.m. with refreshments and welcome.

- Our speaker Pippa White will have a wonderful presentation of “Women’s Work”. This is a short one-act play which will include stories about a quilter and woman’s work, past to present. Pippa is a professional storyteller based in Lincoln and performs riveting solo shows with a focus on history. [More Information](#)

- 
- We will also announce the winner for the raffle quilt “Best in Show” by Millie Fauquet. To end the meeting, visit a table to sign up for the July class or register as a volunteer for the Lancaster County Super Fair Quilt Show. Plan some time so you can tour the galleries and look at quilts!
  - We will forego our announcements and usual table set up as well as Show ‘n Tell. Save your wonderful work until July.

## Additional Updates

Fiftieth Anniversary Celebration committee: Speaking of celebrations - a committee has been formed to start planning our 50th anniversary in 2023, with Lisa Burham as chair. Current members of the committee include Lisa, Nancy Anderson, Vicky Skuodas, Kathy Schmitter, and Sherry Taylor. If you have ideas or interest in joining the committee, please contact Lisa Burham.

Silent Auction: After much discussion, the Board has decided to postpone the silent auction for 2022 and re-consider as a possibility for 2023. Our time to plan is getting short and we do not have enough volunteers to take on the task. The membership survey indicated that volunteering for large events like this is a difficult task, so we will look at the possibility for 2023 and consider options to make it an event where you will want to volunteer and participate.

---

Membership Survey: The results of the membership survey will be shared in a newsletter this month. You will receive the tabulated responses along with a summary of comments for each of the categories -- Volunteerism, Finances, Programs/Workshops, and Dues. The board will discuss recommendations at their July meeting and continue to keep you informed about priorities for the future.
