

Lincoln Quilters Guild Announcements

July's Program

Gyleen Fitzgerald is our July speaker. For those who attended our June meeting, you saw a sample of her beautiful work that will be on display again at our July 11th meeting. The program, “It’s a Polygon Affair”, will be enjoyable and informative. The following day, Tuesday - July 12th, an all-day class will be held at the IQM where Gyleen will demonstrate making ‘stress-free’ curves. See more information on the LQG website including time and supply list for the July 12th workshop. Non-members of the LQG are eligible to sign up for the workshop as of June 22nd. Bring a friend and have a fun day.

August Program and Workshop

Our original program speaker for August is unable to join us. We have asked Dana Jones to present the program and workshop in August. It looks very interesting as she shares an interesting technique in piecing. Refer to the website for more information and sign up soon for the half day workshop.
