**Lincoln Quilters Guild**

**September 2023**

---

### **From the President**

Wasn't the August meeting fun? Thank you to the demonstrators and to the 50th Anniversary Committee who helped make the evening a success. We received some questions about the silent auction items. All of the items sold in the silent auction had been donated to the guild, so all of the proceeds of the auction will be used to fund programming in the future.

Rob Appell will bring high energy and enthusiasm to our meeting on Monday, Sept. 11. Rob loves teaching people to sew and quilt, and inspiring creativity is his passion! Rob got his hands on a needle and thread at a very young age and has always enjoyed making art. For the past several years he has been blessed to be a textile designer and quilt educator as the host of Man Sewing. Now, he teaches quilting all around the world. His [Tuesday workshop](#) is almost full, but we might have a couple of spots. Contact Maggie Cople for information.

Winners of the Nifty Fifty Fat Quarter Raffle (NFFQR) will be drawn at the September meeting. Make sure you get your tickets prior to the start of the meeting at 7 p.m. Tickets are \$5 each, or get three tickets for \$10.

### **Threads Across Nebraska:**

Registrations also are needed for Threads Across Nebraska. Please help our guild have a good showing at this statewide show. Register your quilt at the link below, then email a copy of your registration form to Tammy Hensley (tammyhensley1@mac.com). Quilts will be transported to Kearney and picked up by a guild member. You can register the same quilt for both Threads Across Nebraska and the LQG show, as the Threads quilts will be returned to Lincoln on Oct. 14 in time to also appear in the Oct. 28 guild show!

### **LQG Board Members Needed**

The nominations committee (Pat Modrell and Connie Soucie) are seeking nominees for the LQG Board. We cannot have a healthy guild without leadership! If you are interested in serving on the board, or if you know someone you think would make a good leader, please talk to Pat or Connie. Unfilled positions for next year include Program Chair Elect and President Elect. Do you have a quilter whose work you admire or a technique you would like to learn? Volunteer for the Program Chair Elect position and help shape the programs for 2025. Support is available from people who have held these positions in the past. You don't have to do it alone, but we do need people to come forward and fill these important roles!

### **Two More Workshops This Year**

We have two more workshop opportunities this year. On Oct. 10, Sue Brown will teach a class using Antler Quilt Design's Mysterious pattern. Six different layouts are available from one block! On Nov. 14, Edie McGinnis will teach a class based on the Fiesta Ware Pattern from her book, Finders Keepers Quilts. Stop by the programs table to see samples of the projects for both classes!
