GETTING ACQUAINTED WITH A LQG MEMBER, by Janet Eskridge

Let us introduce you to Genie Sullivan. . .

Several years ago Genie Sullivan was completing the cross-stitch on a quilt top when she began to wonder how to go about quilting it. She went to the State Fair where the Guild had a booth and talked to the ladies about joining the group. Since that time, Genie has made a pinwheel quilt, a twisted ribbon quilt and completed a friendship quilt started by her mother, among other things. She was also involved in a friendship quilt group of her own.

Genie is also an experienced seamstress and enjoys crocheting. Genie's husband, George, is a trainer at UNL so they are both very interested in sports. They have lived in Lincoln for 32 years. Genie works in food services at Nebraska Wesleyan.

The Sullivans have three sons, all married. Two live in Lincoln and one in Grand Island. Genie is especially excited about the 10-year old daughter that one of her sons is currently adopting.

Genie says that she has enjoyed the Guild so much--the meetings, the workshops, and especially the special friends she has made.

REPORT FROM AUGUST AFTERNOON WORKSHOP

The August afternoon workshop met with Ruth Hicks with ten ladies present. Ruth showed her beautiful Broken Star quilt which won second prize at the Lancaster County Fair. Mary was binding an Amish Shadows quilt in browns, orange, beige and blue. Laura was binding a lovely mini-quilt in browns which her sister pieced and she quilted for a wedding gift. Joan asked advice about setting together some orange and white sateen blocks in pinwheel design which she had inherited. She also showed an old utilitarian quilt top which had been pieced by a busy farmwife, a relative of hers. Other ladies were working on blocks or small pieces.

Sometime in the next month or so, the Guild will be losing one of
very special members. Jacky Dittmer will be moving to Mansfield, Ohio,
where her husband has accepted a position at Ohio State University. Jacky
has won numerous awards for her quilts during the years. She will be
sorely missed by each and every person who knows her. We wish her the
very best in her new home.

Do you need a little more of this fabric, or that one?

It was decided at the September meeting to have a fabric exchange bulletin
board. If you are looking for a particular fabric, attach a swatch to a
3 X 5 card. Include with it your name, phone number, and how much material
you need. We'll have a spot at the meetings for the cards. Details of
the purchase or trade of fabric can be arranged between individuals.

WANTED: Sally Campbell needs old red or blue fabric to use to put together
old quilt squares. Her phone number is 423-2282.
