A Message from Anne

How to begin? Where to start? Where is my pencil?

I, of course, very much appreciate the opportunity to wish each of you a blessed Christmas and a joyous New Year! To do that, however, requires that I get out of my big chair and find a pencil. (I have a thimble, thread, needle, and scissors...but no pencil!) When I curl up with my favorite old garage sale quilt and my little dog, it is tough to blast me out and into action. My boys went out in the pasture and cut a really large tree this year. I can sit and study it, with all its ornaments and memories, for hours. (One of our friends said, "How did you get that tree in the house?!")

I did get up and find a pencil and paper. I really do wish you all happy holidays and time to quilt love and memories in the new year...but my chair (and dog) await my return. See you in January!

A Request from Margaret Miller

To anyone who has taken her classes on innovative settings and borders:

Margaret is looking for snapshots of any quilts made which are based on ideas presented in these classes. If your quilt is chosen, it might appear in Margaret's new book.

If you have such a quilt, send a snapshot to her. On the back of the photo, please write: quilt title, quilt size in inches (w x l), name and address of quiltmaker.

Please send ASAP as Margaret is working on a deadline ☺

Send to: Margaret Miller, 19917 N.E. 194th St., Woodinville, WA 98072

Dear Quiltie Friends,

A new year is fast upon us and I would like to take this opportunity to wish you a wonderful one, filled with quilting, friends, family, and fun!

For our Guild, I wish a spirit of cooperation and accomplishment! To paraphrase our First Lady, "It takes a membership to have a successful guild."

- The Editor

Cuddle Quilts

Plain Print Deadline

Resource Room Update

An agreement to lease space at the Lincoln Woman's Club has not been finalized. This location remains our most viable opportunity to maintain a resource room within our current budget. Some members have expressed concerns about this location, the amount of funds budgeted, and the timeliness of a decision to lease.

The board is seeking a member who is willing to form and chair a Sight Search Committee to assist the board in a decision. A great deal of inquiry and negotiation have been done on this project. The board will cheerfully pass along this information and help a sight search committee in any way possible.

Questions of exactly what, where, and at what cost the Guild expects a space to be made available to members would be studied by the committee. They would have an opportunity to study the Woman's Club option and any others they may find. By continuing to work together, surely our problem can be solved.

If you will serve as chair for this important project, please call Anne (476-8314) before the January 11th meeting. Thanks!

Valentine Exchange

Just a reminder from Diana Dreith... are you working on your Valentine sweetheart pillow to exchange at the February meeting?

Book Wanted

I would like to purchase book "Country Threads" published by the Patchwork Place. It is out of print and I can not find it. If anyone has a copy they would be willing to sell, please contact Jean Stauffer at 483-7222 or email Staufferto@AOL.Com

Congratulations Gloria Smith ...

Gloria's entry into the 1998 Hoffman Challenge has been accepted into one of the traveling exhibits. This year's fabric had large orange iris on a teal blue background. Gloria's entry was an iris made from eighty 3 inch log cabin blocks. The quilt is named Tangerine Falls (tangerine for the color and falls because the petals of an iris are sometimes known as falls). The quilt will be traveling in the US and Canada for the next year.

A Tip from Sandy Anderson

"With three kids, a husband, 2 cats, 1 dog, and a job, I can't do everything. I try to schedule large jobs like cleaning the refrigerator and cleaning the oven on a rotating basis so they don't get too out of hand.

Also, I try to clean on room really good each week, instead of the whole house at one bite.

I also use laundry baskets, different ones, assigned to different rooms or people, so I put everything going to a specific room or person, and make one trip rather than a lot of trips."

Tips from Joan Biasucci

"Take frequent road trips with other quilters, and always adhere to the following *very important rule*:

Never tell anyone (meaning, a husband) what any member of the group purchased and/or ate on the trip. Always remember, and recite very carefully to anyone (meaning, a husband) who asks, the all important phrase, 'I think it was some kind of salad...'"

Advertizing in Plain Print

The Lincoln Quilters Guild Executive Board has approved advertising in the Plain Print for both quilt businesses and LQG members. There will be a classified section for members who wish to advertise quilt-related items for sale. The rates will be \$1.40 for the first 20 words and 7 cents for each additional word. A phone number counts as 2 words. Minimum ad cost is \$1.40 for one issue of the Plain Print.

For businesses, the rate is \$15 per issue for a business card size.

These rates were arrived at by estimating the cost to the guild for printing, not as a fundraiser. We hope that you will think this is a fun and useful way to use your Plain Print.

You may mail your ads and payment or give them to Connie or Wendy at the meeting. Questions?? Wendy Ray, 489-4565, or Connie Strobe, 423-7375.

International Quilt Study Center

Things have really begun to pick up here at the International Quilt Study Center as we continue preparations for our next exhibitions. The big news, however, is that the Center will now have open hours on a regular basis. We are now open Mondays, Tuesdays, and Wednesdays from 9:00 am to noon. Have you thought that someday you'd like to come and look through our books? Or just visit to see what the volunteers are doing? Perhaps you are interested in finding out more about the pattern in your great-grandmother's quilt and you'd like to see if we have any like it? Now you'll have the opportunity! We're very pleased to offer these open hours, so make it a point to come and visit.

The details of our first summer workshop and seminar are now finalized. Michael James will teach a workshop titled "Color Dynamics and Expression," May 18-21, 1999, followed by a seminar course taught by Professor Janet Berlo titled, "Quilts: a Social and Feminist History." It will be held May 24 - 27, 1999. Both Michael James and Janet Berlo serve on our international board, so I've had the opportunity to chat with both of them. They have the experience and the expertise to make both of these classes exciting and inspiring.

The classes are available to both students and non-degree seeking individuals. To get information on how to register for these classes (class size is limited so sign up early!) call summer school registration information at 1-800-562-1035.

More Tips from Sandy Anderson

"I once 'lost' the instruction book to my sewing machine and I was having some trouble with the tension and was very frustrated. When I found my instruction book, I punched a hole in the corner and hung it on a hook right next to my machine, so it is always there if I need it."

The James Collection

The Lincoln Quilters Guild has been asked to donate quilt blocks for display with the James Collection Quilts at the Nebraska State Museum.

The following types of blocks have been requested:

Crazy Quilt (9 1/2" unfinished)
Broderie Pearse (9 1/2" unfinished)
Album (9 1/2" unfinished)
Red and Green (9 1/2" unfinished)
Pieced (9 1/2" unfinished)
Applique' (6 1/2" unfinished)
Misc. (9 1/2" unfinished)

Since visitors to the museum will be able to touch these samples, they anticipate needing a "stash" to have on hand for replacement when a block becomes tattered. The James Collection quilts will be displayed on a rotating schedule for the next two years beginning in February of 1999. Your name and the guild will be acknowledged with the block. The blocks do not need to have finished edges as the museum will be mounting these blocks onto a hard surface.

This is a wonderful opportunity to support the Nebraska State Museum and the James Collection while weeding out those "one of a kind" blocks you have stored in your sewing room! Please bring donation blocks to the January meeting.

UGLY QUILTS (Sleeping Bags for the Homeless)

The purpose of "ugly quilts" is to keep the homeless warm during the cold winter months. Your help is needed. Below are instructions for making these sleeping bags. They are very easy to put together. If you are not interested in making a bag, any donations of blankets, mattress pads, bedspreads, draperies or neckties would be appreciated. All completed bags can be delivered to Shirley Smith at the City Mission, or to Diana Dreith. If you have any questions or donations, contact Diana at 794-4788.

INSTRUCTIONS

The outer shell of the sleeping bag is made by cutting bedspreads, drapes or scrap materials into the largest square or rectangle that the piece will allow.

1. Sew enough pieces together to form a 7'x7' square.

2. Join two 7'x7' squares at one end to form a 7'x14' piece.

3. Stitch 2 sets of 3' tails on an outer quarter of a 7' side. Tails can be made of neckties, dress belts, etc.

4. Fill one-half of the 7'x14' piece with blankets, mattress pads or fiberfill. Leave a 1" seam allowance on 3 sides.

5. Cover with remaining 7' length.

6. Tie or quilt in rows every 10" to secure fill.

7. Lay 3' tails up onto quilt.

8. Fold 7' square quilt in half, forming a 3½'x7' bag. Top opening and one side will be automatically finished. Sew a one inch seam along remaining side and bottom.

9. Turn right side out and fold in half lengthwise.

10. Roll up and tie tightly using tails to secure.

Feel free to adapt your own ideas to this pattern.
