Lincoln Quilters Guild Announcements

June's Member Appreciation Meeting

What a wonderful night at the International Quilt Museum where we enjoyed UNL Dairy Store ice cream, a brief history of the guild, and a wonderful speaker. Although we had the challenges of heat and unknown parking arrangements, about 100 people attended the meeting. "Women's Work," presented by noted storyteller Pippa White, was educational and entertaining. I will never think of DUCT tape in the same way again. Kudos to the women and the lives that Pippa highlighted, and a special thanks to all of the members and guests who attended in very hot weather!

LQG meeting and workshop - July 11th and 12th

Gyleen Fitzgerald is our July speaker. For those who attended the June meeting, you saw a sample of her beautiful work which will also be on display at our July meeting. The evening's program, ["It's a Polygon Affair."](#) will be informative and will be followed by an all-day class at the IQM on Tuesday, July 12th, where Gyleen will demonstrate making 'stress-free' curves. See [more information](#) on the LQG website including timing and supply list for the July 12th workshop. Non-members of the LQG can sign up for the workshop starting June 22nd. Bring a friend and have a fun day.

The July meeting will return to College View Church with a meeting starting at 7 p.m. Normal activities will resume with announcements, speaker, and show 'n tell.
