

Lincoln Quilters Guild Announcement

Greetings from the President

I hope you're all getting excited for our first meeting of the year on March 11! There's lots of fun stuff in store! In the meantime here are a few reminders and bits of news.

Membership Dues

If you haven't paid your membership dues yet you can send \$60 along with the membership renewal form [here](#) to our mailing address: Membership Chair, PO Box 6861, Lincoln, NE 68506. And please fill out the form so we have your most current contact information so we can make sure emails and info are getting to you.

March Meeting & Workshop

Tina Curran is our March program and workshop presenter. There are still lots of spaces left for her fun and unique workshop. As a bonus, LQG members whose registrations and checks are received prior to our Monday, March 11 meeting can take \$10 off of the workshop price. You can find the workshop info and registration form [here](#).

Program Assistance

Our Vice Presidents for Programming will be asking for a little help during our meetings so get your arms and shoulders in shape! We're in need of members to help serve as holders and folders during the program and show and tell. So share a little of the weight (of the quilts) to help make our meetings run!

National Quilting Day

March 16 is National Quilting Day at the International Quilt Museum. There are still volunteers needed to make this fantastic event go off without a hitch. Please contact [Sheila Green](#) if you can help out that day.

Isles Sale

Sunday, April 7 is the Isles Sale in Havelock. Time to start combing through your stash and donate that no longer needed or loved fabric. Bring your donations to our March meeting and let us know if you're able to help out that day at the event.

Committee Openings

“Alone we can do so little, together we can do so much.” - Helen Keller.

We are continuing the process of filling vacancies for a number of committee openings. Please consider helping our guild by volunteering some of your time to these positions that help to make our guild the wonderful organization that it is! There are wonderfully talented members who could make tremendous contributions, as well as give a little break to those who have served so admirably in these positions, often for multiple terms. Please contact [Tammy Hensley](#) or [Nancy Anderson](#) regarding committee membership.
